

BABYSITTING

Opening Times

Monday - Friday

8.30am - 11.30am

OCBC Babysitting provides a fun and safe environment for your little ones while you get the most out of your workout and focus on achieving your goals. All of our staff are first aid qualified and have a WWCC. We welcome children from 6-8wks old (recommending they are vaccinated before entering).

Bookings

We require bookings to be made using the GymMaster app. We understand that things happen with kids, but we appreciate if bookings can be made or cancelled by 7am so we can be as prepared as possible to care for your children. Babysitting comes at an extra cost for FPP and casual members. Please see reception staff.

Fairness Policy

You as the parent maintain responsibility for your child at all times and must not leave the fitness facility. If your child needs any assistance it is the responsibility of the parent to ensure this is carried out. Our friendly staff will call you to assist in changing or feeding. Please keep all sick children at home. If they become unwell whilst with us, one of our staff members will come and get you so you can take them home.
